# FAQs:

🎵 **What if my event is out of town?**  
We're happy to travel anywhere in the US for your event! Additional fees may incur for lodging/travel for the artist.

🎵 **Do I need to provide sound equipment?**

Most of our artists have some of their own sound equipment depending on the size of the event, etc. Most of the time, the DJ or hotel can usually help with sound equipment or we can do an acoustic set. Contact us for more details.

🎵 **Do you provide a full band?**  
On occasion, our artists may be able to provide a full band. But most of the time you're hiring the artist themselves. But not to worry, they will put on a show!

🎵 **Will the artist only sing original music?**

No. Our artists can do a mix of original music and cover songs based on your needs!

🎵 **How long will the artist perform?**

This will be determined based on your event. We're happy to work with what you need!
